

Individual Reflection

Week 1

What do I want to learn or understand better?

Learn more about scrum and agile workflow in groups.

How can I help someone else, or the entire team, to learn something new?

In the start of the course I can't say anything concrete but I general; By participating in group meetings and discussions. By encouraging teammates to always ask questions if something is unclear. By prioritising helping others and explaining things if I have more experience.

What is my contribution towards the team's use of Scrum?

We have not started working with scrum yet but as for now I contribute by attending lectures and exercises and googling to learn about the scrum method.

What is my contribution towards the team's deliveries?

Participated in the making of the groups social contract.
