TA-6	As a developer I want a workspace for code development so that I can produce code.	1	Sprint 1	Done	Johan Selin	
TA-7	As a developer I want a version controlled repository so that I can handle code versions, branches and collaborate with team members	1	Sprint 1	Done	Johan Selin	
TA-9	As a team member I want to be able to use the fundamentals of Git in order to contribute to the repository.	12	Sprint 1	Done	Fanny Söderling	Alva Jansson, Amanda Cyrén, Emma Stålberg, Fanny Söderling, Simon Holst
TA-12	As a team member I want to learn basics in Android studio so I can contribute to the work	12	Sprint 1	Done	Fanny Söderling	Alva Jansson, Amanda Cyrén, Emelie Edberg, Emma Stålberg, Fanny Söderling, Philip Winsnes, Simon Holst
TA-24	As a team member I want to understand Touch&Tell systems in order to structure and prioritize our tasks	16	Sprint 1	Done		
TA-36	As a survey taker I want to be able to see the questions so that I can answer them	4	Sprint 1	Done	Emma Stålberg	Amanda Cyrén, Emma Stålberg
TA-37	As a survey taker I want to be able to answer the questions so that I can take the survey	4	Sprint 1	Done	Emma Stålberg	Amanda Cyrén, Emma Stålberg
TA-39	As a team member I need to prepare for the git workshop so that the workshop can be held.	2	Sprint 1	Done	Emma Stålberg	Emma Stålberg, Simon Holst
TA-40	As an employer I want each survey taker to be uniquely identified to track their answer history	3	Sprint 1	Done	Emelie Edberg	
TA-41	As a user I want to be able to navigate between the views to complete the survey	3	Sprint 1	Done	Philip Winsnes	
TA-43	As a team member I need to prepare for the Android Studio workshop so that the workshop can be held	2	Sprint 1	Done	Philip Winsnes	
TA-45	As a survey taker I want a response to finishing the survey so that I know that I'm finished	2	Sprint 1	Done	Amanda Cyrén	Amanda Cyrén, Emma Stålberg
TA-47	As a team member I need to prepare for the Android Studio workshop so that the workshop can be held	1.5	Sprint 1	Done		Alva Jansson, Fanny Söderling, Simon Holst
TA-35	As a survey taker I want to be able to identify with my email since it's easy to remember	6	Sprint 2	Done	Johan Selin	Emelie Edberg, Philip Winsnes
TA-44	As a survey taker I want to know if I wrote a non existing email, so that I can change it to an existing one	2	Sprint 2	Done	Philip Winsnes	
TA-48	As a developer I want an online database to store information about our users	4	Sprint 2	Done	Johan Selin	Emelie Edberg, Johan Selin
TA-54	As a user I want a quick introduction to the app in order to understand what it's about	6	Sprint 2	Done	Fanny Söderling	Alva Jansson, Simon Holst
TA-56	As Touch&Tell I want to get a proposal for how the design of the questions in the mobile application will look like, since the design today only works for webb application	20	Sprint 2	Done	Emma Stålberg	Alva Jansson, Amanda Cyrén, Emma Stålberg, Fanny Söderling, Philip Winsnes, Simon Holst
TA-57	As a developer I want to be able to query Touch&Tells API programatically in order to fetch the question for a given survey taker	6	Sprint 2	Done	Simon Holst	Amanda Cyrén, Emma Stålberg

Key	Summary	Story point estimate	Sprint	Status	Assignee	Tilldelade personer
TA-55	As a developer team we want to manage the "survey1" dynamically to make for a scalable architecture	24	Sprint 3	Done	Emma Stålberg	Emelie Edberg, Emma Stålberg, Johan Selin, Simon Holst
TA-61	As Touch&Tell I want to get a proposal for how the design of the introduction page will look like, since it needs to be welcoming and promising	4	Sprint 3	Done	Alva Jansson	Alva Jansson, Amanda Cyrén, Fanny Söderling, Philip Winsnes
TA-62	As a survey taker I want an intermediate screen between logging in and taking the survey to access extra settings and information	2	Sprint 3	Done	Amanda Cyrén	Philip Winsnes
TA-63	As Touch&Tell I want a revised design of the questions (after feedback to TA-56) so that it can be designed according to my suggestions.	28	Sprint 3	Done	Alva Jansson	Alva Jansson, Amanda Cyrén, Fanny Söderling, Philip Winsnes
TA-64	As developers we want a design for the intermediate screen so that we know what to implement	2	Sprint 3	Done	Alva Jansson	Alva Jansson, Fanny Söderling
TA-65	As developers we want an implementation structure of the survey-taking-process so that we can work together toward the same structure	12	Sprint 3	Done	Emma Stålberg	Emelie Edberg, Emma Stålberg, Johan Selin, Simon Holst
TA-27	As a survey taker I want to remain logged in when using the app since I do not have that much time and don't want to log in every time	4	Sprint 4	Done	Simon Holst	Johan Selin, Simon Holst
TA-79	As a user I want a good looking introduction screen to be welcomed and get a good first impression	2	Sprint 4	Done	Emma Stålberg	Emma Stålberg
TA-80	As a developer I want to refactor the network requests in order to improve the code structure.	4	Sprint 4	Done	Johan Selin	Johan Selin, Simon Holst
TA-81	As a survey taker I want a custom screen for every possible question type in order to answer the questions.	6	Sprint 4	Done	Emma Stålberg	
TA-82	As a user I want the survey layout to be constant in order to reduce cognitive load.	4	Sprint 4	Done	Emelie Edberg	
TA-83	As a user I want to have a smart way of reading longer questions so the screen doesn't get messy and I don't have to scroll	2	Sprint 4, Sprint 5	Done	Emelie Edberg	
TA-84	As Touch&Tell we want to have the smileys redesigned so they better fit the rest of the design	2	Sprint 4	Done	Philip Winsnes	Amanda Cyrén, Philip Winsnes
TA-85	As a user I want the home screen to have a nice looking design since it makes the app more enjoyable to use.	2	Sprint 4	Done	Philip Winsnes	Alva Jansson
TA-87	As a user I only want to send answers to questions I've actually answered to avoid confusion.	1	Sprint 4	Done	Emelie Edberg	Emelie Edberg
TA-88	As Touch&Tell we want the smiley question type to be represented in a visual appealing look since it makes it more engaging to use	4	Sprint 4	Done	Alva Jansson	Alva Jansson, Fanny Söderling
TA-90	As Touch&Tell we want the thumbs up/down question type to be represented in a visual appealing look since it makes it more engaging to use	4	Sprint 4	Done	Fanny Söderling	Alva Jansson, Fanny Söderling
TA-91	As Touch&Tell we want the 1-10 question type to be represented in a visual appealing look since it makes it more engaging to use	3	Sprint 4	Done	Philip Winsnes	
TA-92	As Touch&Tell we want the multiple answer question type to be represented in a visual appealing look since it makes it more engaging to use	6	Sprint 4	Done		Amanda Cyrén, Fanny Söderling
TA-93	As Touch&Tell we want the large comment answer to be represented in a visual appealing look since it makes it more engaging to use	2	Sprint 4	Done	Emelie Edberg	Emelie Edberg

Key	Summary	Story point estimate	Sprint	Status	Assignee	Tilddelade personer
TA-94	As Touch&Tell we want the short comment answer to be represented in a visual appealing look since it makes it more engaging to use	1	Sprint 4	Done	Emelie Edberg	
TA-96	As a user I want a good looking register / login screen to have a pleasant experience.	4	Sprint 4	Done	Philip Winsnes	Amanda Cyrén, Philip Winsnes
TA-97	As a user I want a good looking end screen to feel awarded by doing my survey	4	Sprint 4	Done	Alva Jansson	Alva Jansson, Amanda Cyrén
TA-98	As developers we want tests for the answer saving to be able to change it safely in the future.	4	Sprint 4	Done	Simon Holst	Johan Selin, Simon Holst
TA-99	As a developer I want to refactor the database access to reduce dependencies	2	Sprint 4	Done	Johan Selin	Johan Selin, Simon Holst
TA-100	As a survey taker I want to see how much of the survey is left to do so that I can know how much time it will take to finish	1	Sprint 4	Done		Emelie Edberg
TA-86	As a user I want a redesigned home page where I also can manage my account in order to log out without excise	6	Sprint 5	Done	Philip Winsnes	Philip Winsnes, Simon Holst
TA-89	As Touch&Tell we want the smiley + comment question to be fully implemented in the app and at the same time be represented in a visual appealing way since since this is a question type we use	6	Sprint 5	Done	Alva Jansson	Alva Jansson, Fanny Söderling
TA-101	As Touch&Tell we want the number question type to be represented in a visual appealing look since it makes it more engaging to use	1	Sprint 5	Done	Fanny Söderling	
TA-102	As Touch&Tell we want the email question type to be represented in a visual appealing look since it makes it more engaging to use	1	Sprint 5	Done	Alva Jansson	
TA-103	As a survey taker I want my answer to still be there if I go back between questions in order to save time and confusion.	14	Sprint 5	Done	Amanda Cyrén	Amanda Cyrén, Emma Stålberg
TA-104	As a survey taker I want the transition between questions to be clear so I'll know when the question changes	3	Sprint 5	Done	Johan Selin	Johan Selin, Simon Holst
TA-105	(submit button) As a survey taker I want to know when I am at the last question so I can know when I can't go back any and change my answers anymore	3	Sprint 5	Done	Fanny Söderling	Alva Jansson, Fanny Söderling
TA-106	(remove back button in first question) As a survey taker I want to know when I am at the first question so I can get a sense of where I am in the survey	2	Sprint 5	Done	Alva Jansson	Fanny Söderling
TA-107	As a user I want a splash screen when I open the app so it doesn't feel like I'm waiting for the app to initialize	4	Sprint 5	Done	Philip Winsnes	
TA-108	As a survey taker I want an indication (on press pliancy) of which answer I pressed on smiley and yes/no so I can be sure I clicked the correct button	2	Sprint 5	Done	Alva Jansson	Alva Jansson, Fanny Söderling
TA-109	As a survey taker, I want an ongoing loading indication when fetching questions and logging in to have control of the app's state	4	Sprint 5	Done	Emelie Edberg	Emelie Edberg, Philip Winsnes
TA-110	As a developer I want to research Android push notifications in order to properly implement them later, resulting in an increased answer rate	4	Sprint 5	Done	Simon Holst	Johan Selin, Simon Holst
TA-111	(Reduce margins) As a developer I want more space for the questions so that I can utilize most of the screen	1	Sprint 5	Done	Johan Selin	
TA-112	As a user I want my answers to be sent even if I don't have a connection at the time of submission	4	Sprint 5	Done	Johan Selin	
TA-114	As a survey taker I want it look good when I press a option in multiple choice question to get a smooth experience	1	Sprint 5	Done	Emelie Edberg	

Key	Summary	Story point estimate	Sprint	Status	Assignee	Tilldelade personer
TA-118	As a survey taker I want the keyboard to minimize when clicking outside of the keyboard to easily navigate in the app	2	Sprint 6	Done	Emelie Edberg	
TA-119	As a survey taker I want the "Yes"/"No" buttons to be more intuitively looking so that I don't get confused when answering the question	2	Sprint 6	Done	Alva Jansson	Alva Jansson, Fanny Söderling
TA-120	As a survey taker I want it to be more clear which smiley is chosen	4	Sprint 6	Done	Emma Stålberg	Amanda Cyrén, Emma Stålberg
TA-121	As a survey taker I want it to be clear that I cannot press next while the survey is loading so I don't miss the first question	1	Sprint 6	Done	Emelie Edberg	
TA-122	As Touch&Tell I want the color of the "happy" smiley to be more similar to the one used by T&T	2	Sprint 6	Done	Amanda Cyrén	Amanda Cyrén, Emma Stålberg
TA-123	As a developer I want the app to have a debug mode in case Touch&Tell's API is down in order to test and show functionality.	7	Sprint 6	Done	Johan Selin	
TA-124	As a survey taker I want to know what happens when I press the home button, so nothing disappears without my confirmation	8	Sprint 6	Done	Alva Jansson	Alva Jansson, Fanny Söderling
TA-125	As a survey taker, I don't want to be confused when I have no network connection and opens the app as it gives me a bad experience	8	Sprint 6	Done	Philip Winsnes	Emelie Edberg, Philip Winsnes
TA-127	As a boss I want the app to send push notifications so that I can increase the answer rate	10	Sprint 6	Done	Simon Holst	Philip Winsnes, Simon Holst
TA-130	As a survey taker I don't want to get a bad experience when my network connection is lost and I'm in the registration page	6	Sprint 6	Done	Emma Stålberg	Amanda Cyrén, Emma Stålberg
TA-19	As an employee I want to see a run streak in the application so that it can motivate me to answer more often			To Do		
TA-23	As an employee I want to see some statistics of how I have answered over time to motivate me to keep on taking the surveys			To Do		
TA-58	As a survey taker I want to be able to see my rights as a survey taker and employee so that I can feel comfortable about doing the survey			Done		
TA-113	As a developer I want some of the answers to be saved in the app so that a streak function can be created			To Do		
TA-115	As a survey taker I want to know when my survey is answered so that I don't have to answer it twice			To Do		
TA-116	As a survey taker I want to know when I should answer my next survey so that I don't need to recheck the app all the time			To Do		
TA-128	As a survey taker I want my responses to be saved when I close the survey			To Do		
TA-129	As a survey taker I want to be asked to continue with unfinished surveys when I open the application, so that I can be remembered to continue with my surveys			To Do
