Individual Reflection – Week 4

Philip Winsnes

What do I want to learn or understand better?

General programming skills in Java and Android Studio.

How can I help someone else, or the entire team, to learn something new?

I refer to my previous answers for this question.

What is my contribution towards the team's application of Scrum?

Tuesday the 26th we held our sprint planning for sprint 2. Fanny and I contributed as the previous product owners of week 3 in delivering the demo meeting summary of sprint 1 which we had on Tuesday the 12th. I particapted in the daily check-ups and the team reflection.

What is my contribution towards the team's deliveries?

I have mostly worked together with others on this sprint's user stories but was single responsible for completing TA-44.
